

Supplemental Video: Drugs Discussion Questions

1. It seems it was difficult for George to remove himself from drugs. Why do you think George got deeper and deeper in his involvement with drugs and guns? How did making money make him feel? Is this a reason to keep dealing? Why or why not?
2. George said that being in the boot camp program taught him to do “right when you are being watched and when you are not being watched.” What does that mean to you? Is it easy to “do right” when you are not being watched? Why or why not?
3. What does George mean by “living life the right way?” What are his reasons to refuse now?
