

## Marijuana Supplemental Video Discussion Questions

1. Why was using an easy choice for Victor?
2. Victor says “you don’t think about none of your priorities when you get high.” How did using marijuana interfere with his priorities? Do you think this is true for most teens that use? Why?
3. Victor’s dad said that he had a choice to use or not to use drugs. Do you think his dad’s use contributed to his problem? Did Victor really have a choice? Why or why not?
